

Warranty

Home Warranty

Simple choice. Powerful coverage.

CNA has over 30 years of experience in warranty, designing customized solutions to address complex regulatory, marketing and risk transfer needs across a wide range of products, including furniture. With over \$5 billion in annual gross revenue and an estimated 17% market share in the U.S., CNA is one of the largest and most experienced underwriters and providers of warranty-related products and insurance.

CNA offers:

- Comprehensive insurance, warranty and product protection solutions, addressing your complex regulatory, marketing and risk transfer needs.
- The ability to insure the obligations of third-party providers of warranties and service contracts in all industries
- A suite of CNA obligor companies licensed to issue non-insurance contracts
- International capabilities in underwriting, risk management and reinsurance
- CNA partners with experienced third-party administrators with customer care specialists who are experienced and specifically trained to handle customer claims that arise.
- CNA's third-party administration partners have access to a network of trained and experienced in-home service technicians who can be dispatched, as needed, to repair damage to covered items.

Our home warranty coverage solutions

CNA home warranty solutions provide a competitive advantage for insurtechs, financial institutions and third-party administrators. Our home warranty solutions can include coverage for plumbing, electrical, heating or cooling equipment.

Plans from CNA help alleviate the stress that comes from:

- Finding a reputable and trusted contractor for your home repairs
- Managing the process of obtaining multiple bids
- Being responsible for the final bill

Implementing the program is easy. Meet with your agent and CNA Warranty sales representative to discuss your unique needs. Receive a CNA proposal and launch your home warranty program.

The strength and stability of CNA

With an A+ rating for financial strength and over 120 years of insurance industry expertise, our reputation is built on a solid foundation. CNA is a member of the Service Contract Industry Council (SCIC) and the Electronics Components Industry Association (ECIA) and a leading commercial equipment warranty provider. There's no one-size-fits-all approach here – our veteran underwriters and skilled actuaries are proven industry experts who can provide flexible, innovative solutions that meet your unique needs.

CNA's diversified team is knowledgeable and experienced on all sides of the warranty value chain. Our underwriters are industry veterans who understand the challenges associated with protection plans and the covered products. We have the expertise and flexibility to tackle complex exposures and

coverage requirements. CNA's actuarial analysts have the skills to accurately price product exposures to accommodate unique risks and coverage structures. Our expertise, resources and flexibility allow us to understand client needs and recommend superior solutions that meet those needs.
